

# HLS Security Monthly w/ Scott

## S01E02 – Ignite Wrapup

Scott Murray – Security and Compliance Technical Specialist @Microsoft

Minnesota based security specialist focused on advanced threat products within the Microsoft stack

When: 10/05/2020 @ 1PM Central

Welcome to HLS Security Monthly! In this episode, Scott and Jeremy are going to touch on some of the security highlights from Ignite focusing on a handful that are directly relevant to HLS.

**Featuring: Jeremy Windmiller** – Microsoft Security and Compliance Technical Specialist

Jeremy is an Enterprise Security Architect, with Microsoft Healthcare supports pharma, payor, provider and biotech customers in the Midwest. He brings 30 years of IT Operations and Security knowledge to customers to help them address business challenges through technical solutions.
